What the neighbors say:

*“We were **so impressed** with the speed of the clean up this year. There was **much less garbage** and furniture...It really sets the tone for how they view the neighborhood they live in. You are truly **making this a better place to live for everyone**” - Crisi Lee & Dan, Southeast Como*

What the nonprofits say:

*“...**HUGE, LIFE CHANGING THANK YOU** to the Reuse Program for...a donation...You all have changed not only MY life personally, but...hundreds if not thousands of others lives. Your gift and organization...is **a gift from Heaven above**. Thank you...If everyone thought the way your program does, the world would be a lot better place.”*

- Julianne Will. Executive Director, Molly's World / The Clothing Exchange
